

SCHOLARSHIPS

One of our missions is to promote diversity in various healthcare careers. We welcome students, residents, fellows and trainees who have an interest on the Ibero Latinoamerican Health or are of Ibero Latinoamerican descent.

We provide scholarships to trainees enrolled in healthcare careers annually. Our annual gala is an opportunity to introduce the recipients to the medical community

ACADEMIC PRESENTATIONS

SILAMP participates and organizes academic presentations with the continued medical education format for (CME) credit.

Our annual Dr. Carlos Finlay Conference focuses on our mission of integrative care between healthcare disciplines.

SOCIETY OF IBERO LATINOAMERICAN MEDICAL PROFESSIONALS (SILAMP)

Collaboration, Networking

We are unique: Colleagues of various disciplines get together for networking as well as social and educational events.

Community Outreach and Education

Prevention from disease comes from education, early screening and healthy lifestyle choices.
